

The **Malta**  
International  
Spring Music  
**Festival**

*1<sup>ST</sup> - 3<sup>RD</sup> MAY 2020*

This International Festival, organised by EuroArt Production and Leon Promotions is open for Marching Bands, Majorette Groups, Flag-waving Groups, Bagpipe Bands and Dance Schools.

Malta, with its strategic position at the center of the Mediterranean Sea, has always been a crossroad for exchanges of cultural diversity, also due to so many Nations who have ruled over this country along its history. This is why the island's musical tradition is very old, strong and widespread. The aim of this International Festival is to make sure that the different music traditions from all over the World meet up in Malta, for a reciprocal cultural exchange and enrichment.

Today Malta is definitely one of the most important countries in Europe's tourism sector. Rich in history and charm..... with a great sense of hospitality towards visitors and above all.. with a warm temperate climate. During the free time, participating groups will have the chance to relax and explore the various unique cities and villages of this magical island... full of history. Hence we would like to invite you to discover this reality, perhaps at the most beautiful time of the year.

During the 4 days of this International Festival, parades and performances will be held in various locations around the island of Malta.

The artistic programme consists of outdoor parades and standing performances. During the parades the groups will perform with their own instruments. During the standstill performances, which will be held in the main squares, the Organisation will provide the audio system, compatible with CD and pen drive and 5 microphones to amplify the various instruments / voice ( if these are required)
