

The Costa Barcelona International Folk Festival

Malgrat de Mar, Costa Barcelona Maresme, Catalonia, Spain

4th - 8th October 2023

This International Festival, organised by Malgrat Municipality in collaboration with EuroArt production srl and Leon promotions, is open for Folk Groups, Flag-waving Groups and Bagpipe Bands. During this International Festival there will be both parades and performances. The performances will be in parks and squares of Malgrat de Mar. This Festival will not be competitive.

Malgrat de Mar enjoys mild weather almost all year round. More than 4.5 km of golden beaches are waiting for you! During your stay in the wonderful Costa Brava, you will also have the opportunity to experience another type of culture. You will enjoy a friendly relaxing environment full of charm and history.

The Group will be housed in a 4 star Hotel (on full board basis, breakfast, lunch and dinner at buffet), situated in the touristic area of Malgrat de Mar.

The artistic programme consists of outdoor parades and standing performances. During the parades, the groups will perform with their own instruments. During the standstill performances, which will be held in the main squares, the Organisation will provide the audio system, compatible with CD and pen drive and 5 microphones to amplify the various instruments / voice (if these are required).
