

**1<sup>st</sup>- 3<sup>rd</sup> DECEMBER 2023**

EuroArt Production srl & Leon Promotions, would like to invite you to participate in fifth edition of the **Malta International Christmas Choir Festival 2023**.

Malta, with its strategic position at the centre of the Mediterranean Sea, has always been a crossroad for exchanges of cultural diversity, also due to so many Nations who have ruled over this country along its history. This is why the island's choral tradition is very old, strong and widespread. The aim of this International Festival is to make sure that the different choral traditions from all over the World meet up in Malta, for a reciprocal cultural exchange and enrichment.

Today, Malta is definitely one of the most important countries in Europe's tourism sector. Rich in history and charm..... with a great sense of hospitality towards visitors and above all.. with a warm temperate climate. During the free time, participating groups will have the chance to relax and explore the various unique cities and villages of this magical island... full of history. Hence we would like to invite you to discover this reality, perhaps at the most beautiful time of the year. Malta has indeed a strong Christmas tradition. It would be a wonderful opportunity for you to sing in this festive atmosphere in some of the most stunning baroque churches on the island along with local choirs, in a climate of mutual exchange and enrichment.

The past editions of this Festival were much more than successful, with the participation of several choirs from several European countries, such as England, France, Italy, Wales, Hungary, Ireland, Bulgaria, Lithuania, Spain, Greece, Estonia and of course from Malta and the sister island of Gozo.

The Festival 2023 will be organised over 3 days from the 1<sup>st</sup> to the 3<sup>rd</sup> December at various unique baroque churches in Malta. Maltese choirs will also participate in this International festival. The festival is not competitive, and is open for mixed choirs, male choirs, women's

choirs, youth choirs, sacred music choirs, gospel choirs, folk music choirs, etc.

Each choir can perform in its own style but must keep in mind that this Festival is being held in Catholic Churches and so, song list must include sacred songs, for sure Christmas songs and maybe even gospel songs. Each choir can perform "a cappella", or can be accompanied by piano organ or other musical instruments. The Organisation will arrange for the use of the respective churches piano organs. If the piano organ of a particular church could not be used, it will be replaced by an electric piano/keyboard. Any other instruments must be brought over by the respective choir.

The group will be accommodated in a 3 or 4 star Hotel on half board or bed and breakfast basis.
